MR ERNEST JAMES LOVELAND

Care of:

Peter Craig Loveland
Per email: pclove@global.co.za

Dear Mr Loveland,

YOUR MVA CLAIM OBO ERNEST JAMES LOVELAND

1. We refer to the above matter and our last letter dated 2 December 2016.
2. We confirm that we have received some information from Manpower regarding your employment at Microsoft but feel that we will need to do further investigation in this regard. We will revert at a later stage.
3. In the meantime we can also confirm that, although we considered appointing a Curator *ad Litem* to assist you with the litigation process, we are of the opinion, after having discussed the matter with Ms Eleanor Bubb, your treating psychologist, that this may, at this moment, not be necessary. You may recall that we explained at our previous consultation that a Curator *ad Litem* might be needed depending on the improvement seen in the first year or two of your brain injury and, as it seems that there is still some improvement expected we are for now holding the appointment of a Curator *ad Litem* in abeyance.
4. Given the aforementioned and the expected improvement, we will only arrange medico-legal reports within the next year or so. The purpose of the medico-legal reports will not only be to prove your damages suffered against the Road Accident Fund but also to assist should it become necessary to appoint a Curator *ad Litem*.
